VINO SANTO LIQUOROSO

Production Zone: Tuscany

Grape Varietal:

Inzolia, Grillo, Cataratto, Grecanio

Vinification:

The grapes are pressed on the same day they are harvested, and a little wine alcohol is added to the grape must extracted in order to prevent the start of fermentation. This process is known as mutage and what it does is ensure that all the natural sugars in the grapes are preserved intact

No Aging

Color: Amber

Nose:

Intense, full, nuances of candied apricot and honey

Tasting Notes:

Soft and velvety, it gives a sensation of fullness with a sweet and aromatic aftertaste

Serve chilled on it's own or with dry pasteries.
